“Whispering Campaign”

The following schedule details Pope.L’s performance in Athens for documenta 14 according to area. Performances will occur Tuesday, Thursday, and Saturday. Pre-recorded content will play on Tuesdays. Live Whispering will be conducted on Thursdays. A mix of both will happen on Saturdays.

## Tuesdays and Thursdays

Quadrant 1: 11AM to 2PM

Quadrant 2: 1PM to 4PM

Quadrant 3: 4PM to 7PM

Quadrant 4: 5PM to 8PM

All quadrants: 5PM to 8PM

All performers, with the exception of one riding a bicycle, will be on foot. There will be one performer per quadrant, except for the bicyclist who will ride between all 4 quadrants. All performers will begin at Monastiraki Square. Performers will choose locations within their respective quadrant with a high density of people and foot traffic. Likely locations include Syntagma Square, Monastiraki Square, Dionysiou, Aeropagitou Street, outside of Thiseio Metro Station, Apostolou Pavlou Street, Agia, Irinis Square, and Koukaki Square.

## Saturdays

On Saturdays, all five performers will perform in a single designated area of Athens (please see the schedule of areas by date below). The performance will build up in shifts beginning at 1 pm, reaching its height between 3 and 4 pm when all five performers are simultaneously engaged, and ending at 6 pm. Between 3 and 4 pm on Saturdays is the only time that all five performers will be in one area at the same time.
